

Colorado
Thespians

Colorado Thespians offers workshops for students and educators led by professionals in the field who live and believe in our vision, **To Elevate Colorado communities through inclusive, accessible, and inspiring arts education for all.**

Workshop presenters reflect the diversity of the students we serve, and strive to meet our mission: **Colorado Thespians is driven to foster a thriving, vibrant, and equitable cultural landscape by inviting individuals and communities to co-create a Colorado where all can embrace the transformative power of the arts.**

We aim for rich and meaningful workshop content that upholds our organizational values of authenticity, community, empathy, equity and joy.
